Detecto Step-On Cans

UL approved including their Fire Code tests, these quality cans are available in Stainless Steel and Baked Enamel finishes. Sizes range from 16 quarts to 120 quarts

and each comes complete with labels for "Biohazard" and "Infectious Waste". Heavy duty construction, higher gauge steel, plastic liners around the base, rubber liners under the lid and secure foot pedals with external linkage make these the best value in medical waste disposal.

Bemis SharpSentinel® Wall Cabinet System

Secures sharps containers in a sturdy, locked enclosure. Ideal for non-restricted areas such as patient rooms and doctors' offices. Tinted door obscures contents, yet allows easy visibility of fill level.

Convenient glove box holder snaps onto

bottom of cabinet. Sharps containers feature an exclusive rotating cylinder top for safe, hands-free disposal of sharps.
