

Invacare® IVC™ Tracer® EX2 Wheelchair

The Invacare® IVC™ Tracer® EX2 wheelchair sets the new standard in manual wheelchairs. A true dual axle position allows for repositioning the 24" rear wheels and 8" casters for adult and hemi seat-to-floor heights.

- Durable, low maintenance, triple chrome-plated, carbon steel frame is long lasting
- Dual axle positions allow variation of seat-to-floor heights
- 14-gauge crossbraces add strength and durability
- Offset permanent arms available in 16", 18" and 20" widths
- Flame-retardant upholstery resists mildew and bacteria as well as cold-crack and UV damage
- Upholstery is dual-embossed
- Weight capacity: 250 lb.

Guardian® Easy Care™ 2000 Wheelchair

The Easy Care™ 2000 is a good choice for a quality wheelchair with options that offer the flexibility to accommodate a variety of users. Its dual axle allows the seat to be easily lowered to hemi height. Standard features include: chrome-plated, carbon steel frame; removable padded desk arms; composite mag wheels with molded contours to enhance strength and durability; full size chart pocket on backrest and front rigging mounts compatible with the industry's standard. Available with swingaway footrests or elevating legrests.
